Present the recipients of the Commemorative Coin awards with their coin. The recipients were personally chosen by the Supervisor for their district in recognition of either their acts of heroism, longstanding community service, or exceptional acts that have dramatically improved or impacted people's lives.

BACKGROUND

The Commemorative Coin Program was instituted by the Placer County Board of Supervisors in December, 2002. The program has rewarded community members of the county for acts of heroism, longstanding community service, and exceptional acts that have dramatically improved or impacted people's lives.

Each county supervisor was given the opportunity to award a coin recipient that meets one of the following criteria:

- Offered contribution of longstanding service to Placer County or to a resident thereof
- Sacrificed a combination of time and talent to Placer County or a resident thereof
- Went beyond the call of duty to save a life
- Voluntarily performed the act of heroism and was not paid for the act
- Participated in a rarely told or reported feat
- Dramatically improved and/or impacted a life
