DATE: December 9, 2014
SUBJECT: Asbestos Abatement Services – Allied Environmental Inc.

ACTION REQUESTED

1. Approve the annual renewal of a competitively awarded blanket purchase order with Allied Environmental Inc., of Shingle Springs, CA for asbestos abatement services in the maximum amount of \$95,000, funded by Facility Services' FY2014-15 final budget with no new net County cost, for the period of January 1, 2015 to December 31, 2015 and authorize the Purchasing Manager to sign the resulting blanket purchase order.

BACKGROUND

Facility Services requires a qualified contractor to provide asbestos abatement services in order to meet State and Federal requirements for various projects. On December 10, 2013, your Board approved a one year renewal of competitive Bid No. 10132 with Allied Environmental, Inc. The executed blanket purchase order (BPO) expires on December 31, 2014.

Allied Environmental has agreed to renew at the same pricing and terms of the original bid. The vendor possesses the required Class B General Building Contractor's License and certification for asbestos work as verified by the California Contractors State License Board. Section 22 of the BPO's General Terms and Conditions allows the County to renew the BPO on a year-to-year basis upon satisfactory negotiation of the renewal pricing, terms, and conditions.

Your Board's approval is required to proceed with a new one-year BPO in the maximum amount of \$95,000 and to authorize the Purchasing Manager to sign the resulting BPO.

FISCAL IMPACT

Upon your Board's approval, a new BPO will be awarded to Allied Environmental Inc., in the maximum amount of \$95,000 for the period effective January 1, 2015 through December 31, 2015. The department has budgeted for this service in the respective capital project budgets for FY2014-15.
