

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS County of Placer

TO: BOARD OF SUPERVISORS

DATE: February 24, 2015

FROM: KEN GREHM / PETER KRAATZ

SUBJECT: **BRIDGE REPLACEMENT PROJECT – ALPINE MEADOWS ROAD OVER THE
TRUCKEE RIVER – CONTRACT NO. 1186**

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution awarding Contract No. 1186 for the construction of the Bridge Replacement Project – Alpine Meadows Road Over the Truckee River to MCM Construction, Inc. in an amount not to exceed \$5,961,630 with County Counsel and Risk Management's review and approval. There is no net County cost.
2. Authorize the Chair of the Board to execute Contract No. 1186.
3. Authorize the Director of Public Works to execute contract change orders up to an additional 10 percent of the contract amount.

BACKGROUND / SUMMARY

The existing Alpine Meadows Road bridge spans the Truckee River and is adjacent to the intersection of State Route 89 as identified in the project map. The existing bridge is both structurally deficient and functionally obsolete. The County completed the final engineering and right-of-way phases of the project and is currently authorized for construction under the Federal Highway Bridge Program (HBP). The proposed bridge will clear span the Truckee River and will be widened to meet the current design standards. The project also includes approximately 1500-feet of widened roadway approach on Alpine Meadows Road as well as a signal and roadway improvements on State Route 89.

During construction, Alpine Meadows Road traffic will be routed onto a temporary road and detour bridge downstream of the existing bridge. The detour road and bridge will remain in place during construction providing uninterrupted access to residents and businesses on Alpine Meadows Road. Department of Public Works staff met with the local residents, businesses and the North Tahoe Regional Advisory Council to review the proposed improvements. The proposed project will preserve the rural atmosphere and improve the hydraulic capacity of the area, while providing a bridge and roadway approaches designed to current standards.

Your Board approved the project plans and specifications and authorized the Department to advertise for bids on December 9, 2014. Bids for this project were opened on February 3, 2015. Six (6) bids were received. The apparent low bidder is MCM Construction, Inc. The Department of Public Works is requesting that the Board award the contract to the lowest responsible and responsive bidder, and execute the contract.

ENVIRONMENTAL

A Negative Declaration was prepared for this project pursuant to the provisions of CEQA and adopted by the Placer County Board of Supervisors on March 8, 2011. The NEPA Categorical Exclusion Compliance for this project was approved on March 10, 2011.

FISCAL IMPACT

The cost of this construction contract is \$5,961,630. This project is funded by the Federal HBP Program and the Caltrans State Highway Operation and Protection Program (SHOPP). Funding for the construction of this project is included in the FY 2014-15 budget.
