DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: March 10, 2015

FROM: ^{SKB} KEN GREHM / PETER KRAATZ

SUBJECT: SNOW CREEK SEZ RESTORATION PROJECT, CONSTRUCTION
CONTRACT NO. 1157

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution allocating additional funds for Contract No. 1157 with Burdick Excavating Co., Inc., in the amount of \$7,142 to finalize the last payment on the contract. There is no net County cost.
2. Authorize the Director of Public Works to approve the final contract payment for the Snow Creek Restoration Project.

BACKGROUND / SUMMARY

The Snow Creek SEZ Restoration Project is located in eastern Placer County, on the north shore of Lake Tahoe, in the community of Tahoe Vista, California (see location map). Construction improvements included Stream Environment Zone (SEZ) restoration activities, removal of existing fill material, storm water treatment structures, site grading, and revegetation, and the construction of a bicycle and pedestrian trail that includes boardwalk sections elevated above environmentally sensitive areas. The project is identified in the Tahoe Regional Planning Agency Environmental Improvement Program (EIP) as Project Nos. 10038, 319, and 649.

On August 20, 2013, the Board of Supervisors approved Contract No. 1157 for \$1,463,916 with a \$150,000 contingency, for a total contract dollar amount of \$1,613,916. On July 22, 2014, an additional Contract Change Order was approved by the Board in the amount of \$12,048 for additional costs related to revegetation. Construction on the project is complete. A Notice of Completion was approved by your Board on October 7, 2014. The final contract payment request of \$7,142 will cover final construction costs and requires Board approval as all previous funds approved by the Board for the project have been expended.

ENVIRONMENTAL

The County prepared a Mitigated Negative Declaration (MND) pursuant to the requirements of the California Environmental Quality Act (CEQA) and the Placer County Environmental Review Ordinance. The MND (EIAQ - 3350) was approved by the Board of Supervisors on November 15, 2011.

FISCAL IMPACT

With this final payment, the total cost of construction will be \$1,633,106. Funding for this payment will be covered by remaining grant funds. The project was funded through grants from the U.S. Bureau of Reclamation, U.S. Environmental Protection Agency, Sierra Nevada Conservancy, California Abatement Account, Tahoe Regional Planning Agency, North Tahoe Resort Association, and the California Natural Resources Agency. Funding for the completion of this project is included in the Department's FY 2014-15 Budget.
