

MEMORANDUM
DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS **DATE:** March 24, 2015
FROM: ^{JCB} KEN GREHM / RICHARD MOOREHEAD
SUBJECT: HIGH FRICTION SURFACE TREATMENT PROJECT, PSA NO. 1189 -
AMENDMENT NO. 1

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution authorizing the Chair of the Board of Supervisors to sign and execute Amendment No.1 to Professional Service Agreement No. 1189 with HDR Construction Control Corporation, Inc. for professional engineering, construction management, inspection, and product testing services, increasing the total agreement by \$21,705 to an amount not to exceed \$128,338, with County Counsel and Risk Management's review and approval, at no net County cost.
2. Authorize the Public Works Director to sign subsequent amendments up to an additional ten percent of the contract amount as needed, at no net County cost.

BACKGROUND / SUMMARY

On July 22, 2014 your Board approved the award of PSA No. 1189 to HDR Construction Control, Inc. from Qualified List No. 10327. This PSA allowed for construction management services for PC 2981, High Friction Surface Treatment Project. On October 7, 2014, the County entered into contract with HDR Construction Control Corporation, Inc. in an amount not to exceed \$103,633. The PSA included construction management, inspection, and product testing services for the high friction surface treatment project.

The original scope for product testing included one test in each direction for each site of the new surface. The County requested additional product tests to obtain existing pavement friction values so we know how much the friction value of the surface has changed. The amendment also increases inspection hours required due to longer epoxy set times. Lastly, this amendment changes individual staff rates to comply with prevailing wage laws.

ENVIRONMENTAL

The Professional Services Agreement is exempt from CEQA pursuant to CEQA Guidelines, Section 15306.

FISCAL IMPACT

Contract Amendment No.1 would increase the original contract by \$21,705. The total Professional Services contract will increase to an amount not to exceed \$128,338. This project is funded through Federal Highway Safety Improvement Program and local road funds. There are sufficient funds available in the FY 2014-15 budget for the work to be performed under the contract. There is no net cost to the County.
