BACKGROUND

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. The selection of roads for surface treatment is typically a function of the road condition, traffic volumes, and funding. Your Board approved \$1,000,000 in the recommended proposed budget in the FY 2015-16 Budget utilizing CSA and General Funds. As part of the Mid-Western Placer Regional Sewer Project, the County and the City of Lincoln are also directing \$497,286 of previously authorized Regional Sewer road repaving funds towards the Virginiatown Road and Fowler Road portions of this project. This amount will be requested in the FY 2015-16 Final Budget. This contribution is included in the Facility Services Regional Sewer amendment item presented to your Board as a separate item.

The Department of Public Works enlisted the assistance of the Procurement Services Division to develop Invitation for Bids No. 10441 for Summer 2015 Placer County Hot Mix Overlay Contract No. 000913. The bid was solicited in accordance with the Public Contract Code. Eighty-five firms were notified of the bid, twenty-three firms accessed the bid documents, and formal responses were received from six firms.

The responses were evaluated in accordance with the criteria stated in the bid solicitation and the Public Contract Code. Based on the evaluation of the responses received, Teichert Construction is the lowest responsive and responsible bidder. Procurement Services received no bid protests. The recommended contractor possesses a valid California Class A, B C16, and C27 California Contract License Classifications. The contractor and the listed subcontractors are registered with Department of Industrial Relations. DPW concurs with Procurement's recommendation.

Therefore, your Board's approval is required to proceed with the award of Contract No. 000913 in the amount of \$1,409,650, and to authorize the Director of Public Works to approve and sign contract change orders not to exceed \$140,965.
