

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS                      DATE: July 21, 2015

FROM: KEN GREHM / PETER KRAATZ

SUBJECT: **ABANDONMENT AND RELOCATION OF PORTIONS OF PUBLIC UTILITY,  
SANITARY SEWER AND DRAINAGE EASEMENTS IN THE WINCHESTER  
SUBDIVISION**

---

## **ACTION REQUESTED**

Adopt a Resolution to abandon portions of public utility easements, sanitary sewer easements and drainage easements in Winchester Subdivision, Phase 1.

## **BACKGROUND**

The Winchester Development consists of a 409-lot Planned Unit Development subdivision and golf course on 1,117 acres, located between the unincorporated communities of Christian Valley and Meadow Vista. GMK Winchester LP has acquired multiple lots in Phase 1 of the development and performed lot line adjustments on them in conjunction with their development plans.

The lot line adjustments require the relocation of easements originally created along the original lot lines to the new lot lines. These easements were dedicated to and accepted by the County on the Winchester Phase 1 subdivision map, filed for record in 1999 in Book V of Maps at Page 25. Building envelopes were created on Lots 19, 20, 24 through 43 inclusive and Lot 'X'. The relocations are necessary in order for the easements to conform along the new lot boundaries. The existing easements conflict with the new lot building areas.. New easements will be dedicated, as necessary, to correspond to the new lot line configurations.

All processing fees have been paid, the proposed easement abandonments have been distributed for comment and no objections have been received.

## **ENVIRONMENTAL IMPACT**

This action is categorically exempt from the provisions of CEQA Section 15061(b)(3), no potential to cause significant environmental impact.

## **FISCAL IMPACT**

There is no fiscal impact anticipated to result from this action. New easement will be provided in exchange for those being abandoned.
