

MEMORANDUM
Community Development Resource Agency
County of Placer

TO: Board of Supervisors

FROM: Michael J. Johnson, AICP
Agency Director

BY: Jeffery B. Thomas, Building Manager

SUBJECT: Plan Review and Inspection Service Contract with Coastland Civil Engineering, Inc.

DATE: April 5, 2016

ACTION REQUESTED

1. Authorize the Building Services Division to execute a contract with Coastland to provide plan review and inspection services for the Hill Top Center, Marriott Hotel Project. There is no net County cost associated with this action as all costs for the plan review and inspection services will be paid by the applicant, Hill Top Hospitality, LLC.

BACKGROUND

Large projects often request quick-turn plan reviews and inspection services on a continuous basis, including after-hours and weekend demands for service. The Building Services Division does not currently have the staffing resources to support this higher level work demand, and therefore relies upon qualified consulting firms to provide such services on behalf of the County. This proposed contract is between the County and Coastland Civil Engineering, Inc. (CONSULTANT), with provisions for payment from Hill Top Hospitality, LLC based upon services performance by the consultant. The project is located at the corner of Bowman Road and Mill Pond Road; aka APN 053-103-048.

DISCUSSION

The Hill Top Center Marriott Hotel is a large project exceeding the \$5 million threshold established in the Building Division's fee schedule. For this reason, Building Services provided the applicant with the existing approved County consultants (already approved by the Board) for interview and selection of the firm they wish us to contract with for the performance and delivery of plan review and inspection services for this project.

Building Services requested that the applicant interview at least two of the Board-approved consultants (they interviewed three) and select a consultant meeting the needs of the applicant. From these interviews, the applicant has requested to utilize Coastland.

The contract with the scope of work is attached for the Board's review. The consultant will be paid from monies that will be required under the contract to be deposited in advance by the applicant, Hill Top Hospitality, LLC. The initial deposit represents 1% of the valuation of the project, as determined by the Building Division fee schedule, minus the standard fee due to the County. The contract covers both the building plan review and field inspection services. Payment requirements are phased and require the applicant to deposit the funds necessary to cover the building plan review services prior to any work by the consultant. Once these services are complete and prior to commencement of inspection services, the applicant will be required to deposit additional funds based on the previously described valuation. If the initial deposit is depleted prior to completion of either phase, further services will be suspended until the applicant deposits additional monies with the County. As a result, no County funds will be utilized to satisfy this contract.

The contract will be for an initial 3-year term with two extensions of one year each or until construction is completed, whichever is earlier. The contract requires the consultant to procure/maintain insurance in the amounts identified by Risk Management. The contract further requires the consultant to maintain plan check and inspection records, submit invoices and details in a form acceptable to the County.

This type of contractual arrangement has been used successfully with other large developments in the past. It allows the developer to move forward at an expedited pace while the County still maintains ultimate control and direction over the services provided by the consultant.

FISCAL IMPACT

There is no net County cost associated with this action as all costs for County services and the plan review and inspection services by the consultant will be paid by the applicant.

Whereas, Applicant wishes to proceed with construction of the Project, and

Whereas, Applicant desires expedited review of building plan review and inspection services (hereinafter sometimes collectively referred to as "Services"), and

Whereas, the County does not have the staffing resources necessary for this higher level work demand, and

1. Consultant Duties and Obligations.

- a) Consultant agrees, during the term of this Agreement, to perform the plan check and inspection services described in Exhibit A - Scope of Services ("Services"). The Consultant acknowledges and agrees that the work shall be completed in two phases for purposes of invoices and payment: Building Plan Check, (phase one) and Inspection Services (phase two) for the Hill Top Center, Marriott Hotel Project. Consultant shall not begin work on either phase until notified by the County that monies for said phase have been deposited by the Applicant. Should monies on deposit be depleted prior to Consultant's completion of either phase, Consultant agrees and acknowledges that all work will immediately cease upon notice from County and not re-commence until subsequent notice of the County.
- b) Consultant shall be obligated to devote as much of its attention, skill, and effort as may be reasonably required to perform the Services in a professional and timely manner.
- c) Consultant agrees and understands that the Services to be performed under this Agreement are to be performed for and in cooperation with the County and its staff and that Consultant's duty is solely to County. Consultant shall request

and receive direction only from County with respect to performance of any of the work described herein.

- d) Consultant agrees that it is not presently engaged in, and during the term of this Agreement will not enter into, any contract with Applicant that may impair Consultant's ability to render complete, fair and impartial advice to County or may otherwise directly or indirectly be adverse to the interests of County.
- e) Consultant shall submit all documents and work product directly to the County without prior review or comment from the Applicant. Consultant shall not act as a consultant to Applicant or any other individual or entity associated with or affected by the Project in any manner that would conflict with Consultant's responsibilities to the County during the term of this Agreement. Consultant shall not meet with the Applicant or their representatives without either County staff in attendance or the prior approval of County. All communications, including e-mail, must include a copy to the County, unless County approves otherwise.
- f) Notwithstanding the provisions of subsection (e), the Consultant may from time-to-time contact the Applicant to receive additional information on the Project in order to assist Consultant in the performance of its duties hereunder. However prior to any such contact, Consultant shall first contact the County to discuss the scope of this contact and provide the County with a written summary of the discussion with the Applicant.
- g) Upon execution of this Agreement, Consultant shall issue a Data Request to the Applicant through the County. Once satisfactory data is received, Consultant will begin Plan Check Services (phase one).
- h) Upon approval of construction drawings through plan check services, Consultant shall notify the County of such approval in written form enabling permit issuance by County. Once the County permit is issued, and the Consultant is so notified, Consultant will begin (phase two) at the request of the Applicant.
- i) Consultant shall, at its sole cost and expense, furnish all facilities, equipment, and other materials which may be required for furnishing services pursuant to this Agreement.
- j) Consultant shall maintain, at all times, complete detailed records with regard to work performed under this Agreement. Consultant shall submit monthly reports to the County which indicate the type of service and hours of service provided.
- k) Consultant agrees to submit invoices for payment pursuant to the terms outlined in Section 3.

2. County Duties and Obligations

- a) County shall designate a County staff person who shall act as coordinator between the County, Consultant and the Applicant for the Services, provide the Consultant with any relevant information in its possession (although it remains Consultant's responsibility to compile all required background information for the Project), promptly review any and all documents and materials submitted to County by

Consultant and promptly notify Consultant of any fault or defect in the performance of Consultant's services hereunder.

- b) County agrees to compensate Consultant pursuant to the terms outlined in Section 3.

3. Payment

- a) Consultant acknowledges and agrees that County's obligation to pay Consultant shall be contingent upon prior receipt by the County of funds from the Applicant and that payment by Applicant to County of the required fees, is a condition precedent to payment by County to Consultant hereunder. Under no circumstances shall the County be obligated to expend its own funds to satisfy obligations under this Agreement. All parties hereto acknowledge and agree that if monies are not received from Applicant or not received by the deadlines identified by County to Applicant for submission of payment, County has the right to notice and Consultant is entitled to immediately stop all work on the Services outlined herein.

Should the monies deposited for either phase be depleted prior to completion of that phase, the County shall notice Consultant and Consultant agrees that all work shall cease until said additional deposit is received by County.

- b) The amount to be deposited per phase will be based on 1% of the valuation of the Project Phase, as determined by the Applicant and verified by the County pursuant to the Building Valuation Data Supplement. The difference between the standard building permit fee and the 1% Project Phase valuation figure shall be retained by Building Services to cover the costs of administering this Agreement. The standard building permit fee is determined by the use of the adopted fee tables. The standard permit fee amount shall be used to fund payments to the Consultant.
- c) The parties hereto agree that the fees and charges shall be limited to the Services outlined in the Scope of Work attached hereto as Exhibit A. Should additional tasks be required to complete the Services, the parties agree to amend this Agreement pursuant to Section 15.
- d) Consultant shall submit to the County, who in turn shall provide a copy to the Applicant, monthly invoices for work performed as outlined in Exhibit A, including a detail listing of the actual work performed, the person(s) performing the work, his/her hourly rate, and the expenses for which reimbursement is claimed. County shall promptly review the invoice, and provided the work has been satisfactorily performed in accordance to Exhibit A, County shall pay invoices within twenty (20) days of approval of the invoice. Consultant shall provide such additional information as the County may request to verify any of the amounts claimed for payment in any invoice. Payment shall be made monthly based on time and materials charges according to the fee schedule and based on the hourly rates set forth in Exhibit A attached hereto and incorporated herein by reference.

4. Term

The term of this Agreement will be for three (3) years with the option for two extensions of the term of one year each. 5. Personnel

All services required hereunder shall be performed by the Consultant.

6. Records

Consultant shall maintain at all times complete detailed records with regard to work performed under this Agreement in a form acceptable to County, and County shall have the right to inspect such records at any reasonable time. 7. Termination

a) In the event County, in its sole discretion, deems it in the best interests of the County, County shall have the right to terminate this Contract at any time without cause by giving thirty (30) days prior written notice of such termination to Consultant and Applicant. The term "documents and writings" shall be construed to mean and include: work papers, electronic files, e-mails, drawings, internal memoranda, photographs, background reports and studies, preliminary drafts and other documents and files pertaining to the Project.
2. County shall have full ownership and control of all documents and writings. All work papers, graphics, photographs, and any written or graphic material, however produced, prepared by Consultant in connection with its performance of services hereunder shall be, and shall remain after termination of this Contract, the property of the County and may be used by the County for any purpose whatsoever. Notwithstanding, Consultant shall not be responsible for any claims arising out of the County's extraction or modification of Consultant's work products and for any claims arising out of the use of work product by County for any other purpose than which is expressly set forth under this Agreement.
3. Consultant shall be paid the reasonable value of services rendered by Consultant to the date of termination pursuant to this Agreement not to exceed the amount documented by Consultant as work accomplished to date in accordance with this Agreement; provided, however, that in no event shall any payment hereunder exceed the amount specified in the Scope of Work in Exhibit A, and further provided, however, Consultant shall not be entitled to payment for

lost profits which might have been made by Consultant had Consultant completed the services required by this Agreement.

- b) Consultant may terminate its services under this Agreement only upon good cause or upon the written consent of the County and Applicant, and shall provide thirty (30) days advance written notice to County and Applicant of any such intent to terminate.
- c) In the event the County directs that work be suspended for a period longer than ninety (90) days for any reason other than dissatisfaction with Consultant's work, Consultant shall be entitled to request reasonable re-mobilization costs to recommence the work. In the event Applicant fails to diligently proceed with processing of the Project and no activity occurs for a period of six (6) months or longer, County reserves the right to review with Consultant the adequacy of the information and studies being used to perform the Plan Check and Inspection services and to require additional analysis be conducted to update any such studies.

8. Force Majeure

Consultant shall not be in default of this Agreement by reason of delays in performance by reason of strikes, lockouts, accidents, acts of God, and any other delays unavoidable or beyond Consultant's reasonable control.
