Locust Road Circulation Study:

The Department of Public Works will present findings from a traffic circulation study which presents two alternative roadway circulation closures of Locust Road. The study was prepared at the request of the Board of Supervisors at the time of approval of the Placer Vineyards Specific Plan project in 2007. One alternative reviewed potential closure of Locust Road south of Newton Road. The second alternative reviewed the potential for two closures, one south of Newton Road as well as at the Placer County line. Presenters are Ken Grehm, Director of Public Works and Stephanie Holloway, Senior Civil Engineer, Transportation Division, Department of Public Works.

9. Action Items: None
