**1) 10:05 a.m. DRY CREEK / WEST PLACER COMMUNITY PLAN
10:13 – 10:37 a.m. AMENDMENT TO LAND USE DIAGRAM (PLN18-00262)
PREVIOUSLY CERTIFIED FINAL ENVIRONMENTAL IMPACT REPORTS
SUPERVISORIAL DISTRICT 1 (DURAN)**

The Placer County Planning Services Division is requesting that the Planning Commission consider a recommendation to the Board of Supervisors to amend the Dry Creek/West Placer Community Plan (DCWPCP) Land Use Diagram to include the previously approved Placer Vineyards Specific Plan and Riolo Vineyard Specific Plan. In addition, the Placer Vineyards Specific Plan policy document and Development Standards determines the land uses and development standards within the Placer Vineyards Specific Plan Area. The Riolo Vineyard Specific Plan Specific

Plan policy document, Design Guidelines and Development Standards determines the land uses and standards within the Riolo Vineyard Specific Plan Area. The Planning Commission will consider an amendment to the DCWPCP to incorporate by reference these documents. These proposed amendments are consistent with the prior actions of the Board of Supervisors to adopt the Placer Vineyards Specific Plan and Riolo Vineyard Specific Plan and intended to capture those prior actions by amending the Dry Creek/West Placer Community Plan land use diagram to depict these duly adopted specific plans. The proposed amendment to the Dry Creek / West Placer Community Plan Land Use Diagram was contemplated when each specific plan was adopted (2007 and 2009 respectively) and therefore included in the environmental review conducted for each plan adoption. Specifically on July 16, 2007, the Board of Supervisors adopted Resolution No. 2007-229 to certify the Final Environmental Impact Report for the Placer Vineyards Specific Plan (SCH#1999062020) and on May 12, 2009, the Board of Supervisors adopted Resolution No. 2009-117 to certify the Final Environmental Impact Report for the Riolo Vineyard Specific Plan (SCH# 2005092041).

Project Location: The Dry Creek/West Placer Community Plan encompasses approximately 9,200 acres in the southwest corner of unincorporated Placer County. Bound by Baseline Road on the north, Sutter County to the west, Sacramento County to the south and the City of Roseville to the east. The Placer Vineyards and Riolo Vineyards Specific Plans are located in the Dry Creek / West Placer Community Plan. The PVSP is located in the southwestern portion and is bounded on the north by Baseline Road, on the south by the Sacramento/Placer County line, on the west by the Sutter / Placer County line and Pleasant Grove Road, and on the east by Dry Creek and Walerga Road. The RVSP is located in the south central portion of the Dry Creek/West Placer Community Plan and is bound to the north by Dry Creek, on the west by Watt Avenue, on the south by PFE Road, and on the east by Walerga Road.

**C) NORTHSTAR FOREST FLYER
EXTENSION OF TIME – CONDITIONAL USE PERMIT (PCPA 20130040)
PREVIOUSLY ADOPTED MITIGATED NEGATIVE DECLARATION
SUPERVISORIAL DISTRICT 5 (MONTGOMERY)**

Consider a request from Trimont Land Company dba Northstar California, for approval of a three-year Extension of Time for a previously approved Conditional Use Permit that allows an all-weather, toboggan-style alpine coaster to be located at the mid-mountain area of the Northstar Resort. The "Forest Flyer" coaster would consist of steel tracks, suspended above the ground on individual footings, that would connect an upper and lower attendant station. The lower station would be located in the vicinity of the Big Springs Day Lodge, and individual carts would be pulled uphill (approximately 1,535 feet) from that location to the upper station, just south and uphill from the Village Express Lift top terminal, and released downhill for a 2,365-foot ride. The Conditional Use Permit was originally approved by the Planning Commission on May 23, 2013. A Mitigated Negative Declaration was prepared for the project in accordance with CEQA and was adopted at the same time. The project was appealed to the Board of Supervisors and continued "off calendar". On May 17, 2016, the Board of Supervisors accepted a withdrawal of the appeal and the Planning Commission's approval was then reinstated giving the project a new expiration date of May 16, 2018. The applicant timely filed for an Extension of Time on April 30, 2018. The Planning Commission will be asked to consider adoption of a finding pursuant to CEQA Guidelines section 15162 of no changes to the project, or circumstances or new information that would require preparation of subsequent environmental review.

Project Location: Within the Northstar California Resort, approximately 2.1 miles southwest of the intersection of Northstar Drive and State Route 267, south of the Town of Truckee.
