1) 10:05 a.m. **SQUAW VALLEY / ALPINE MEADOWS BASE-TO-BASE GONDOLA**
10:11 – 11:11 a.m. **DRAFT ENVIRONMENTAL IMPACT STATEMENT / ENVIRONMENTAL IMPACT**
REPORT (PLN15-00398) – PUBLIC REVIEW AND COMMENT
SUPERVISORIAL DISTRICT 5 (MONTGOMERY)

Conduct a public hearing to receive comments on the Draft Environmental Impact Statement/Environmental Impact Report (Draft EIS/EIR) for the Squaw Valley-Alpine Meadows Base-to-Base Gondola Project. Squaw Valley and Alpine Meadows are separate ski facilities that are both under ownership of, and operated by, the project proponent, Squaw Valley Ski Holdings (SVSH). The project proposes to install and operate a gondola interconnecting the Squaw Valley and Alpine Meadows base areas and install eight avalanche mitigation devices (Gazex exploders) at Alpine Meadows. Four alternatives are analyzed in the Draft EIS/EIR, including a No Action Alternative and three action alternatives that would result in the installation of a base-to-base gondola under different alignments and the installation of Gazex exploders at Alpine Meadows.

A copy of the Draft EIS/EIR is available for review (public review period is open from April 27, 2018 through June 11, 2018) during normal business hours at the Tahoe City Library (740 North Lake Boulevard, Tahoe City, CA), the Truckee Library (10031 Levon Avenue, Truckee, CA), the Placer County Community Development Resource Agency offices in Tahoe City (775 North Lake Boulevard, Tahoe City, CA) and in Auburn (3091 County Center Drive, Auburn, CA), the Tahoe National Forest Supervisor's Office (631 Coyote Street, Nevada City, CA), and the Tahoe National Forest Truckee Ranger District (10811 Stockrest Springs Road, Truckee, CA).

The Draft EIS/EIR is also available online at:

**GARY DAVIS BUILDING PARKING
PERMIT REVOCATION – VARIANCE (VAA-3968)
CATEGORICAL EXEMPTION
SUPERVISORIAL DISTRICT 5 (MONTGOMERY)**

Pursuant to Placer County Code Section 17.62.170, the Planning Commission will consider the Revocation of the Variance (VAA-3968) that allows a reduction to the number of parking spaces required for the 594 square foot expansion of a commercial building. At a meeting on October 17, 2002, the Placer County Zoning Administrator approved the Variance (VAA-3968) subject to the findings and conditions of approval as required by Placer County Code Section 17.60.100.D.2. The permittee, Gary Davis, is not in compliance with Condition of Approval #4, which states: *“The applicant shall contribute to the provision of new public parking in the Tahoe City area through payment of an amount equal to the estimated cost of providing 3 parking spaces in the area (the 3 parking spaces are based on the proposed addition of 594 square feet of office space being added, with a ratio of 1 space per 250 square feet). The estimated cost is \$15,000 per parking space and shall be paid to Placer County and used solely for the provision of new parking spaces in the area. An alternative contribution of land, transit facilities, or off-site parking of equal value may be considered in lieu of the payment of \$45,000. The DRC shall consider any such alternative and approve or deny it.”* The Zoning Administrator later reduced the cost per space from \$15,000 to \$10,000 (\$30,000 total). A Building Permit was issued and construction was completed, but to date, this fee has not been paid. The project is Categorically Exempt from environmental review pursuant to the provisions of Section 15321 of the California Environmental Quality Act Guidelines and Section 18.36.230 of the Placer County Environmental Review Ordinance (Class 21, Enforcement Actions by Regulatory Agencies). The Planning Commission will be required to make a finding to this effect.
